

A Parents Prayer

KAIROS
Buds

Dear Lord,

We thank You for bringing us to this state of parenthood and for the gifts of our children. We bring them to You, Abba Father, entrusting them to Your fatherly care.

May they always know that You love them more than we ever could.

Lord, grant us the grace to raise them up to be worthy of being called Your children. Bless all our efforts, Lord, and the work of our hands. May we always find the strength and consolation we need from Mary and Joseph, and learn from them to raise our children like Jesus was, in wisdom and grace. Bless our home, O Lord. May it be the rich soil in which our treasures may grow in love and faith. We also pray that our near and dear ones and the place where we live may only have a positive impact upon our children.

Heavenly Father, capture for Your own the hearts and minds and souls of our beloved children.

May we have the grace to stand before You together in heaven, with praise and thanksgiving, worthy to behold Your Face.

Amen.
